RE: 2018 COUNSELOR DIRECTORY, COLLEGE FAIR LOCATIONS, & MANY NEW UPDATES!

Amy M. Leary, Executive Director
Amy.Leary@MontanaColleges.com

The Montana Post Secondary Educational Opportunities Council (MPSEOC) is pleased to plan another year of the Montana Fall College Fair Tour and the *Guide to Higher Education*. In order to insure quality and cost-effectiveness, we ask that you act on the following items **on or before May 18, 2018**. Thank you for all of your help!

Please use the enclosed form to address these (3) points:

1. Verify that the Contact Information for You & Your School Is Correct – See Included Document for Review.

The included document in this mailing asks you to verify your high school name, counselor name, mailing address, phone, e-mail, website, etc. We will be publishing this information this coming fall 2018, so we want to make sure we have your information correct. Other counselors, students, parents, college representatives, and many agencies use this directory throughout the year, so please help us keep it updated for you! Thank you! (**Please just let us know if you have questions or need additional help.*) Preview your listing online @ www.MontanaColleges.com/counselordirectory

2. Check the College Fair Location & Date for which your school has been assigned in September. If you wish to attend another college fair, please indicate as such on the enclosed form. Please note that the time listed is the time duration for the entire fair. The Fair Site Coordinator will contact you in the fall with the exact assigned time for your school.

3. NEW, EXCITING UPDATES for this year!

■ BACK AGAIN! Counselor \$1,000 Prize! A very special thank you for all YOU do!

- A big congratulation to Jessica Buboltz at Hellgate High School for winning the 2017 \$1,000 prize! By popular demand, we decided to offer another year of a \$1,000 prize as a huge thank you for all you do for Montana education! We know you are all very busy, and the counseling profession gets more challenging every day. We want to take time to thank you for your support of these Montana College Fairs and MPSEOC's events. Without your support and involvement, these collaborative programs to help educate Montana students of higher education options would not be possible. Therefore, this year for all of you who take the time to bring your students to these 2018 Montana Fall College Fairs, you will be added to a drawing to win a \$1,000 Trip Prize of your choice. A very special thank you to you!

■ Student Online Registration for the Fairs!

- The last several years, we have used this Online Registration System with our Scholarship Program and student's official entry pass to request information from the institutions at the fairs. For this year, we are excited to announce that we are in the process of streamlining and updating this registration page, so it is easier for you and your students. We also have added some exciting new features in the "Counselor Login" section of the registration for you to track who your students connect with at the college fair! A very special thank you to you, for you have done a wonderful job helping educate students of this process. Therefore, once again, your students will **NEED TO REGISTER ONLINE BEFORE THE FAIR** and print the bar code as an entry pass for the fair. This is how they will request information from the colleges and sign-up for the scholarships. This has been a great step because it has allowed students to interact with the colleges instead of just filling out cards the entire time. This program also allows counselors to login and access which students have registered before the fairs and print an attendance sheet which we have also improved for this year. In the fall, we will be sending you more details about this process. However, please let us know if you have any questions in the meantime.

- **New & Updated Tools for Students & Counselors to Prepare for the College Fairs**
 - This year we will have updated online tools for you and your students to prepare for the 2018 September College Fair in your area. Therefore, your students will have the tools to research and prepare for the fairs beforehand and find helpful resources like: Preview Attending College Profiles, Questions to Ask at the Fair, Checklists, College Comparison Worksheets, FAQ's, etc. We will be sending more information about these helpful tools to you in the fall.
- **Support Montana Students & College Pride Week Celebration | September 2018**
www.SupportMontanaStudents.org
 - Last year was our eighth year to have this celebration of igniting college spirit throughout your high school and community around the same time as your college fair in September. We are hoping you will join us again in celebrating college and promoting higher education options to your students. We will be sending more detailed information about this celebration before the college fairs in September. If you would like more information now, please visit: www.SupportMontanaStudents.org. Please share this invitation and celebration with your superintendents, principals, teachers, junior highs, grade schools, and community.
- **Updated Interactive, Online Guide Book to Higher Education for Montana Students**
 - Once again, we will be offering an interactive, online Guide Book for you, your students, and parents. This fall your students (seniors, juniors, any younger students, and parents that would like to use this book) will have access to the 2018-2019 Guide Book at no cost. Students and you will still be able to print specific pages or the whole book as needed from the online location. We also will be creating several additional tools to help students prepare for the college fair. Preparing students for the many, amazing options after high school is truly a team effort, and we are here to help you, help students. Please share any additional ideas and/or feedback you have. We sincerely appreciate your expertise, collaboration, and feedback!

Thank you and best of luck in your remaining weeks of the school year! We look forward to hearing back from you and seeing you and your students in the fall!

COLLEGE FAIR FAQ'S

STUDENT REGISTRATION & COUNSELOR LOGIN

WHY SHOULD I ENCOURAGE A STUDENT TO REGISTER?

Overall, the registration process for a student is simple and makes the college fair experience much more efficient and enjoyable. No need to complete prospect cards at each college table. This allows your fairs to go green! Each student will fill out a registration form online and provide their information only once, elaborating on their academic interests and more. This increases face-to-face time for both the admissions representative and the student.

HAVE WE MADE ADJUSTMENTS TO THE ONLINE REGISTRATION & ATTENDANCE SHEETS FOR THIS YEAR?

NEW UPDATES THIS YEAR! This year we are working hard to streamline the registration process for you and your students. These new steps will help make this process easier for you and your students. We also really appreciated your feedback from last year with the challenges presented in some of the mobile registrations, and we are working on removing the extra steps with the high school selection area of the form. These upgrades will make it a smoother process for your students and allow for a more accurate attendance sheet for you as the counselor. Please share any questions/concerns with us however, for we want to make this as easy and painless as possible. Many, many thanks for all your team efforts on this!

HOW MAY I PROMOTE THE USE OF THE BARCODE TO EACH STUDENT?

We will be sending you registration postcards if you would like, so you can give those directly to your students to help with the registration process. We also suggest posting the flyers in the school hallways. You can also consider using the registration as a homework assignment, where the student presents their barcode as completion of the assignment. Post the registration information in the school's newsletter and on the website. Some counselors have mentioned that they like to announce the registration process during a class assembly or during student orientation. We are here to help if you need anything however. Please do not hesitate to contact us. 😊

HOW DO I CREATE A COUNSELOR ACCOUNT?

Navigate to www.MontanaColleges.com/counselors website and click the gold button in the middle of the page that says "COUNSELOR FAIR LOGIN" to create or access your account. From there it will take you to the login page and select "Create One Here" and enter the requested information. If you already have an account, enter the username and password created when the account was established.

IS IT POSSIBLE TO FIND OUT IF STUDENTS ATTEND A FAIR & WHAT WAS THEIR COLLEGE INTEREST(S)?

NEW THIS YEAR! This is a brand new function, and we are excited to say yes to this question! This fall for the first time you as the counselor will be able to see this information from your Student Registrations at your High School and 3 Year Trend: College Interest Reports sections on your counselor dashboard.

MAY I ALSO GET INFORMATION FROM COLLEGES WITH A BARCODE?

NEW THIS YEAR! Yes, you can now print your own counselor barcode and take to the college fair.

MAY I PRINT THE STUDENT BARCODES?

From your counselor account, you have the ability to either bulk or individually print the barcodes. Students will also receive an email reminder with their barcode attached two days before the fair.

IS IT POSSIBLE FOR A STUDENT TO REGISTER ON THEIR SMARTPHONE?

Yes, a student may use their smartphone to access the www.mpseoclogin.com webpage to register. We always suggest a paper copy of the barcode, as all colleges may not have the ability to scan the barcode from a mobile device.
