## IMPORTANT EVENT SAFETY REMINDER

PLEASE HELP KEEP THESE EVENTS SAFE

### WHAT SAFETY & SECURITY STEPS DO YOU & YOUR STUDENTS NEED TO TAKE?

SAFETY & SECURITY | These events can get very busy due to many high schools attending each event. Therefore, in an effort to keep these events safe and less crowded, we are asking all students to leave their backpacks and extra bags on the bus or in their car. We will be providing bags in the entryway for students to collect information. Each hosting fair site is taking their own additional safety and security steps with many having onsite security and of the sites will be screening for no bags in the fair. If you have further questions about this plan for the fair you are attending, please contact the site host listed in this packet for more details. Thank you for your team help to keep these events safe.

### PLEASE NOTIFY YOUR STUDENTS THAT THERE WILL BE NO PACK-PACKS OR PERSONAL BAGS IN THE FAIR

Please let your students know to leave their personal bags on the bus or in their car before they enter the fair area. We will have free plastic bags for them to gather information at the fair.

### PLEASE REPORT ANY UNUSUAL ACTIVITY TO THE SITE HOSTS

Keeping these events safe is a team effort, and we appreciate you letting us know if you have any concerns before, during, or after the fair. Thank you!

### EACH HOSTING FAIR SITE HAS TAKEN SAFETY & SECURITY STEPS

Please contact the site host name listed in this packet for the fair you are attending if you have any further questions however.

### WE ASK YOU TO KEEP A CLOSE EYE ON YOUR STUDENTS

At the fairs, we have many high schools attending. Therefore, we ask you to keep a close watch over your students and alert us of any potential concerns. We appreciate your care and help to keep these events safe and secure. Thank you!

### THANK YOU FOR SUPPORTING A TRADITION OF SAFETY AT THESE EVENTS
