What was the most valuable aspect of the Counselor Update?

What other presentations would you like to see at next year's Counselor Update?

What else would you like to see in The Insider Guidebook To Higher Education that is printed for you today?

Did you attend the September College Fair in your area with your students this year? If so, what suggestions, feedback, and/or ideas do you have on how we can make the College Fairs even better for you and your students? Thank you for your feedback! Your collaboration and team efforts are the only way we can keep these events and services growing and helping even more!

*Please sign your name and check here if you agree and are willing to let us quote your name & school as having asked for these institutions to attend the fair when we send out our invite letters. We feel that by having multiple Montana counselors asking for their attendance, we will have a better turnout for you and your students. Thank you for your team help to get even more colleges at the college fairs for your students!*
