

## Hi Montana Counselors!

We hope you had a healthy and peaceful summer! We are excited to see you at the Montana Virtual College Fairs soon!

The Montana Post Secondary Educational Opportunities Council (MPSEOC) feels strongly that college preparation begins with providing useful and timely information to students, counselors, and families. The 2020 MPSEOC Montana Virtual College Fairs and the Insider Guide To Higher Education are just starting places to how we can educate these groups about the many options after high school. Please take some time to review the packet to develop a plan for how you will use the upcoming virtual events and resource with your students. Also, please review the online student registration and event schedule for this year's virtual college fairs! Thank you!

### WHO SHOULD ATTEND THE MONTANA VIRTUAL FAIRS & EVENTS?

All Sophomores, Juniors, Seniors, Parents, and Counselors are invited to attend the Montana Virtual Fairs & Events! We thank you, as a Montana Counselor, for your support of these events by taking the time to help your students attend these events. We also appreciate your promotion of these events to your student's parents, for we believe that this process is a family effort and is a great support to the student. Thank you again for your hard work in getting your students to the fair!

### WHY SHOULD I ENCOURAGE A STUDENT TO REGISTER?

With COVID-19, all our normal in-person College Fairs and high school visits are cancelled for the fall of 2020. Therefore, these Virtual Fair Events are the next best option in Montana for students to still gain this service during this time. We are hopeful this service will still allow students to learn and connect with their options after high school. All events are free to attend. \$1,000 Cash Scholarships & Prizes offered. Specially invited are HS seniors, juniors, sophomores, counselors, and parents.

### HOW MAY I PROMOTE THIS VIRTUAL EVENT TO EACH STUDENT? ARE THERE CARDS / POSTERS TO SHARE?

We have sent to you registration cards in the mail for you to pass out to your students, so you can give those directly to your students to help with the registration process. Look for a mailed package with these cards. Thank you!

SCHEDULE OF EVENTS - \*DETAILS MAY CHANGE — FOR THE MOST CURRENT SCHEDULE OF EVENTS, VISIT: [www.Montanacolleges.com/virtual](http://www.Montanacolleges.com/virtual)

## HOW SHOULD I PROMOTE THIS EVENT TO STUDENTS? — HERE ARE FEW IDEAS!

- **IDEA OPTION 1 — Pick Your Main School Fair Day!**

**September 14<sup>th</sup> - 20<sup>th</sup> | Virtual Fair Event — Registration Open**

**Starting September 14<sup>th</sup> the Virtual Event Registration Opens**, and you and your students are welcome to start logging into the event to start liking profiles, researching exhibitors, and scheduling live sessions for the “Live” Event that begins on September 21<sup>st</sup>.

**September 21<sup>st</sup> | Monday Virtual Fair Intro Day - SnapShot Sessions**

**Monday Morning | Final Registration** — This final block of registration time is for students to use your facilities / computer labs & search exhibitor profiles & schedule sessions for the week ahead. **Monday Afternoon | Quick SnapShot Sessions** — This afternoon will offer a quick intro of all exhibitors for the week. These “SnapShot Sessions” will allow students to quickly see 10- 15 +/- institutions in one 30 minute session. We will offer these sessions by types of colleges grouped together, and we encourage you to allow students time out of class to attend these “SnapShot Sessions” especially if they are unsure what they want to do after high school. These quick touch sessions to start to the week will allow students to then choose their next days ahead of their favorite “live college sessions.” *\*Check online for the detailed schedule of groupings a week before the event.*

**\*Recommendation** — Some counselors have mentioned that these sessions would be great to project on a screen with a speaker in the gym or large space, so groups of students could watch the sessions. Also, these sessions run through the evening, so this may be a great option to keep these sessions running after school hours for students/parents to attend if they would like.

**September 22<sup>nd</sup> – 24<sup>th</sup> | Tuesday, Wednesday, & Thursday | Live Sessions & Meetings | To limit this event’s impact on your school day, one option could be to pick just 1 of these days as “Your Chosen School Virtual Fair Day.”**

All exhibitors will be presenting on each of these 3 days, so choosing one of these days will still have all the exhibitors represented in sessions for students to connect no matter what day you pick. By picking just one day as “your day,” you limit the time that students and classes will be impacted and also it equals less work with your faculty and staff to allow students out of class.

**\*Recommendation** — Some counselors have talked about designating a place for students to safely gather within your COVID-19 plan. For instance, maybe having students check out of class to gather in the gym or in other large spaces to watch live sessions on their cell phones, in the computer labs, on their own laptops, etc. If a student would like to attend sessions on the days you did not pick, they are still welcome to attend, and you could handle these on a case-by-case basis to let individual passes out of class on the other days too. Feel free to work with the in-school blocks and out-of-school blocks of sessions. Some counselors are planning to offer both in-school and out-of-school times for students to attend sessions at their high school (and feel free to invite Parents too!).

**September 25<sup>th</sup> | Friday — Mixed Sessions - Resource Sessions, College Sessions, & 1-on-1 meetings**

Friday is the final official day of the event. This day will be mix of all kinds of sessions to close the week out. There will be several great sessions about resources, financial aid, career services, scholarships, etc. We encourage you to look at the schedule and your promote any sessions you feel would be best for you and your students.

**\*Recommendation** — We **do not** recommend you picking this day as your main 1 “School Virtual Fair Day, or your students will miss out on many colleges/exhibitors that do not choose to offer sessions on this day. These resource sessions would be a great opportunity to show over a projector in the gym or a large room. Also, you could simply let students pick and choose what they are interested in this day and maybe offer class passes to go to the gym or lab to watch the session or do a 1-on-1 meeting.

**Saturday 26<sup>th</sup> – 27<sup>th</sup> | Saturday / Sunday — Online Event Still Open**

Students are still welcome to utilize the online profiles, watch pre-loaded videos, brochures, & other information during these days after the event. If a student likes a profile or watches a pre-loaded video on these days, the exhibitors will still see that contact and reach out to students who visit their pages on the weekend too. There are no live sessions or meetings on these days.

- **IDEA OPTION 2 — Pick A Multi-Day Fair Experience!**

**September 22<sup>nd</sup> – 24<sup>th</sup> | Tuesday, Wednesday, & Thursday**

**Live Sessions & Meetings | Create Your Own Schedule To Promote**

All exhibitors will be presenting on each of these days, so if one day/time does not work, a student could attend a different day/time. Feel free to promote the schedule in any way you feel works best. **\*Recommendation** — Some counselors have talked about designating a place for students to safely gather within your COVID-19 plan. For instance, maybe having students check out of class to gather in the gym or in other large spaces to watch live sessions on their cell phones, in the computer labs, on their own laptops, etc.

**September 14<sup>th</sup> - 20<sup>th</sup> | Virtual Fair Event — Registration Open**

*Same as Option 1.*

**September 21<sup>st</sup> | Monday Virtual Fair Intro Day & Snapshot Sessions**

*Same as Option 1.*

**September 25<sup>th</sup> | Friday — Mixed Sessions**

*Same as Option 1.*

**Saturday 26<sup>th</sup> – 27<sup>th</sup> | Saturday / Sunday — Online Event Still Open**

*Same as Option 1.*

- **IDEA OPTION 3 — Pick Your Own Plan!**

**Have fun & create your own plan that works best for you, your students, & your school!**

## VIRTUAL COLLEGE FAIR FAQ'S

### STUDENT REGISTRATION & EVENT DETAILS

If you are having a technical errors with the virtual program, please email the Web Registration Team @ VisitDays [hello@visitdays.com](mailto:hello@visitdays.com) and tell them you are trying to register for the Montana Fairs.

## WHO SHOULD ATTEND THE MONTANA VIRTUAL FAIRS & EVENTS?

All Sophomores, Juniors, Seniors, Parents, and Counselors are invited to attend the Montana Virtual Fairs & Events! We thank you, as a Montana Counselor, for your support of these events by taking the time to help your students attend these events. We also appreciate your promotion of these events to your student's parents, for we believe that this process is a family effort and is a great support to the student. Thank you again for your hard work in getting your students to the fair!

## WHY SHOULD I ENCOURAGE A STUDENT TO REGISTER?

With COVID-19, all our normal in-person College Fairs and high school visits are cancelled for the fall of 2020. Therefore, these Virtual Fair Events are the next best option in Montana for students to still gain this service during this time. We will be offering 3 Fall/Winter Virtual Events, and we hope you are able to participate in all events. We are hopeful this service will still allow students to learn and connect with their options after high school. All events are free to attend. \$1,000 Ca\$h Scholarships & Prizes offered. Specially invited are HS seniors, juniors, sophomores, counselors, and parents.

## HOW MAY I PROMOTE THIS VIRTUAL EVENT TO EACH STUDENT? ARE THERE CARDS / POSTERS TO SHARE?

We have sent to you registration cards in the mail for you to pass out to your students, so you can give those directly to your students to help with the registration process. We also suggest posting information flyers in the school hallways (download & print examples @ [www.MontanaColleges.com/virtual](http://www.MontanaColleges.com/virtual)). Other ideas are that you may want to post the registration information in the school's newsletter and on your school website. Some counselors have mentioned that they like to announce the registration process during a class assembly or during student orientation. Also, with this year's event being "virtual," we would love for you to help promote this event locally to your parents & community too. All are welcome to attend this event for free.

## HOW DO I CREATE A COUNSELOR LOGIN / REGISTRATION?

Navigate to the [www.MontanaColleges.com/virtual](http://www.MontanaColleges.com/virtual) website and click the gold button in the middle of the page that says "COUNSELOR VIRTUAL FAIR REGISTRATION" to create your account on our virtual platform. From there it will take you to the event page. Click on the September Montana Virtual Event, login page, and then enter the requested information. If you are having a technical error or have questions, please email the Web Registration Team @ VisitDays [hello@visitdays.com](mailto:hello@visitdays.com) and tell them you are trying to register for the Montana Fairs and are having technical problems, and they will be happy to help you.

## MAY COUNSELORS ALSO GET INFORMATION FROM COLLEGES & ATTEND SESSIONS?

**Absolutely!** You may attend any sessions you would like for free. We also will be hosting some special "Counselor Resource Sessions," to help you with several important resources and updates this fall. Look for those sessions specially designed to help you!

## WHAT IS THE VIRTUAL EVENT SCHEDULE?

For more details on the detailed schedule of sessions, please see the overview in this packet and also visit us online for the most up-to-date schedule of events @ [www.MontanaColleges.com/virtual](http://www.MontanaColleges.com/virtual). If you have any questions or need help, please contact us: [Amy.Leary@MontanaColleges.com](mailto:Amy.Leary@MontanaColleges.com) | 406.531.3531

## IS IT POSSIBLE FOR A STUDENT TO REGISTER ON THEIR SMARTPHONE?

**Absolutely!** A student may use their smartphone to attend this virtual event. Our virtual events are fully mobile-friendly!

## HOW DOES THE VIRTUAL EVENT WORK?

To understand how to utilize this event and all it's offerings, see more details in this packet and also visit: [www.MontanaColleges.com/virtual](http://www.MontanaColleges.com/virtual) for more details, schedule of events, registration information, resources, and so much more! See the example schedule of events plan included in this mailing. Please use this as a guide, but feel free to create a plan that works best for you, your students, & school.

## HOW DOES A STUDENT REQUEST INFORMATION FROM A COLLEGE / EXHIBITOR?

Once a student has registered for the event, then a student can connect with the colleges in this virtual setting by attending a live session, scheduling a 1-on-1 meeting, liking a college profile, and/or watching the videos on the college profile. These are all options for how a student shares their contact information with the colleges, so the college can then contact them after the event and send them more information.

## BEING THAT THIS NEW VIRTUAL EVENT WILL BE HOSTED ONLINE & AT OUR SCHOOL, COULD WE OFFER OUR OWN INCENTIVES FOR STUDENTS TO PARTICIPATE?

**Absolutely!!** This is YOUR event, and we are learning together in this new realm to continue to offer these services! We are excited to offer this platform free to you, students, your schools, parents, and beyond. We are grateful for the 100's of people, colleges, agencies, military branches, schools, etc. that have come together to make this possible during COVID-19. We need your help to make these Virtual offerings a success. Please create a plan and incentive program that works best for you and your school to connect students to this resource. Pizza parties, donuts, candy, scholarship \$, local donations/prizes, gift cards, and simply opening computer lab time to attend the sessions is all helpful. Get your whole school involved showing students they are supported in this time! 😊

## DOES A STUDENT HAVE TO REGISTER / LOGIN TO BE ELIGIBLE FOR THE PRIZES / SCHOLARSHIPS?

We encourage all students to register and sign-in for free to get all the benefits of this new virtual platform. However, if it is not possible for a student to login/register, that student may still visit the profiles of all the exhibitors and use the platform. We ask the HS Counselor to send us an email of any students who wish to still be included in the prizes/scholarships, but do not have access to registering. We will then make sure that student is included in the drawings. We ask the HS Counselors to email the following information to us no later than 1 week after the event end date for those un-registered students to be included in the drawings. Email to: [Amy.Leary@MontanaColleges.com](mailto:Amy.Leary@MontanaColleges.com) the Student Name | Email Address | High School | Mailing Address | Phone Number | Current High School Grade | Counselor's Name To Verify that the student attended the virtual event without logging into the platform. Thank you! It is important that we allow all participating students access to these drawings.

## SHOULD WE INVITE PARENTS & OTHER COMMUNITY MEMBERS TO PARTICIPATE?

**Absolutely!!** This is YOUR event, and we are learning together in this new realm to continue to offer these services! We are excited to offer this platform free to you, students, your schools, parents, and beyond. Please invite parents, other teachers, community members, etc. to participate in this event. Help spread the word! Get your whole school & community involved showing students they are supported in this time! 😊

## WHEN SHOULD I PASS OUT THE REGISTRATION CARDS & SPREAD THE WORD ABOUT THESE VIRTUAL EVENTS?

**The virtual platform will open a least a week before the "Live Virtual Event."** We encourage you to pass these registration cards out about a week before the event, so students have time to start visiting the online profiles, and scheduling "live sessions" & 1-on-1 meetings with the colleges, universities, military branches, and beyond. This will give the students and counselors plenty of time to set their schedules and research all who are participating in each event before the Live Virtual Event begins.

## HOW DO MY STUDENTS ACCESS THE ONLINE, INTERACTIVE GUIDE BOOK?

We offer this fun, interactive, online Guide Book free to you and your students. We encourage you to refer your Seniors, Juniors, Sophomores, Freshman, and Parents to our Online Version of the Guide Book at NO COST. This Online Guide Book is a great tool in preparation for options after high school. Visit [www.montanacolleges.com/guidebook](http://www.montanacolleges.com/guidebook) to view, play, take a skills test, print off checklists and timelines, or download the full version of this year's exciting version.
