

MONTANA COLLEGE FAIR FAQ'S

STUDENT REGISTRATION

If you are having a technical error printing your bar code for the fair, please email Strivescan Registration Help @ help@strivescan.com and tell them you are trying to register for the Montana Fairs.

WHY SHOULD I ENCOURAGE A STUDENT TO REGISTER?

Overall, the registration process for a student is simple and makes the college fair experience much more efficient and enjoyable. This Bar Code allows for easy scanning and no need to complete "by hand" the prospect cards at each college table. This step allows your fairs to go green! Each student will fill out a registration form online and provide their information only once, elaborating on their academic interests and more. This increases face-to-face time for both the admissions representative and the student.

HAVE WE MADE ADJUSTMENTS TO THE ONLINE REGISTRATION & ATTENDANCE SHEETS FOR THIS YEAR?

NEW UPDATES! This year we have partnered with the company Strivescan, and we are working hard to streamline the registration process for you and your students. These new steps will help make this process easier for you and your students. Please share any questions/concerns with us however, for we want to make this as easy and painless as possible. Many, many thanks for all your team efforts on this!

HOW MAY I PROMOTE THE USE OF THE BARCODE TO EACH STUDENT?

We have sent to you registration cards for your students, so you can give those directly to your students to help with the registration process. We also suggest posting information flyers in the school hallways. You may also consider using the registration as a homework assignment where the student presents their barcode as completion of the assignment. Other ideas are that you may want to post the registration information in the school's newsletter and on the website. Some counselors have mentioned that they like to announce the registration process during a class assembly or during student orientation. However, if a student is unable to register before the fair, he/she may still attend and has the option to register on their personal phone or attend gather information.

MAY I ALSO GET INFORMATION FROM COLLEGES WITH A BARCODE?

NEW! Yes, you may now print your own counselor barcode and take it to the college fair to collect information for your own counseling office.

IS IT POSSIBLE FOR A STUDENT TO REGISTER ON THEIR PHONE?

Yes, a student may use their smartphone to access the www.MontanaColleges.com webpage to register. We always suggest a paper copy of the barcode just in case the cell phone version does not work due to a cracked cell phone screen, limited cell service, etc.
