WHAT IF COVID-19 RESTRICTIONS STILL IMPACT OUR IN-PERSON EVENTS THIS COMING FALL?

As we all are still unsure of what fall will bring, we are planning for a hybrid of options. Therefore, we are asking you to confirm your details for the fall fairs in the case that we are able to still host live, in-person events. Please know that safety is a priority to us in this. We are working on some virtual and alternative programming for these events too. Please keep an eye out for updates throughout the summer while we will be monitoring this situation very closely. Thank you for your understanding and team efforts in this, as we all learn together. Please share any questions, concerns, thoughts you may have. Thank you for helping plan for multiple options at this point. We will keep in contact over the summer and early fall with final details.
