

## Hi Montana High School Counselors!

We hope you had a wonderful summer! We are excited to see you at the Montana College & Career Fairs and events this Fall!

The Montana Post Secondary Educational Opportunities Council (MPSEOC) feels strongly that college and career preparation begins with providing useful and timely information to students, counselors, and families. The Montana College & Career Fairs, Events Calendar, and the Guidebook To Higher Education are just starting places to how we can help educate students about the many options after high school. As you prepare for these events with your students, please take some time to review the important **"Online Counselor Packet"** that is located at [www.MontanaColleges.com/counselors2023](http://www.MontanaColleges.com/counselors2023). This packet will help you develop a plan for how you can best utilize these events and resources with your students. Please notice in this packet the details about the online student registration and the important safety plans for this year's Montana Fairs. Thank you for all your team efforts and for all the good work you do for students, education, and Montana. We look forward to seeing you and your students soon!

## FAIR FAQ'S

### STUDENT REGISTRATION

If you are having a technical error printing your bar code for the fair, please email StriveScan Registration Help @ [help@StriveScan.com](mailto:help@StriveScan.com) and tell them you are trying to register for the Montana Fairs.

#### WHY SHOULD I ENCOURAGE A STUDENT TO REGISTER?

Overall, the registration process for a student is simple and makes the college fair experience much more efficient and enjoyable. This Bar Code allows for easy scanning and no need to complete "by hand" the prospect cards at each college table. This step allows your fairs to go green! Each student will fill out a registration form online and provide their information only once, elaborating on their academic interests and more. This increases face-to-face time for both the admissions representative and the student.

#### HAVE WE MADE ADJUSTMENTS TO THE ONLINE REGISTRATION & ATTENDANCE SHEETS FOR THIS YEAR?

**NEW UPDATES!** This year we have partnered with the company StriveScan, and we are working hard to streamline the registration process for you and your students. These new steps will help make this process easier for you and your students. We will be sending you a link to access your fair dashboard to see the students from your school that have registered. Look for that follow-up email. Please share any questions/concerns with us however, for we want to make this as easy and painless as possible. Many, many thanks for all your team efforts on this!

#### HOW MAY I PROMOTE THE USE OF THE BARCODE TO EACH STUDENT?

We have sent to you registration cards for your students, so you can give those directly to your students to help with the registration process. We also suggest posting information flyers in the school hallways. You may also consider using the registration as a homework assignment where the student presents their barcode as completion of the assignment. Other ideas are that you may want to post the registration information in the school's newsletter and on the website. Some counselors have mentioned that they like to announce the registration process during a class assembly or during student orientation. However, if a student is unable to register before the fair, he/she may still attend and has the option to register on their personal phone or attend gather information.

#### MAY I ALSO GET INFORMATION FROM COLLEGES WITH A BARCODE?

Yes, you may now print your own counselor barcode and take it to the college fair to collect information for your own counseling office.

#### IS IT POSSIBLE FOR A STUDENT TO REGISTER ON THEIR PHONE?

Yes, a student may use their smartphone to access the [www.MontanaColleges.com](http://www.MontanaColleges.com) webpage to register. We always suggest a paper copy of the barcode just in case the cell phone version does not work due to a cracked cell phone screen, limited cell service, etc.

#### ARE YOU ABLE TO BATCH RAPID PRINT STUDENT BAR CODES?

Yes! StriveScan is happy to help! They ask for at least 4 days notice before the fair to make this happen. Please email StriveScan Registration Help @ [Help@StriveScan.com](mailto:Help@StriveScan.com) and tell them you are trying to register for the Montana Fairs. [www.StriveScan.com/contact](http://www.StriveScan.com/contact)

#### DO YOU NEED HELP?

If you are having a technical error printing your bar code for the fair, please email StriveScan Registration Help @ [help@StriveScan.com](mailto:help@StriveScan.com) and tell them you are trying to register for the Montana Fairs. [www.StriveScan.com/contact](http://www.StriveScan.com/contact)
