

## Who Is MPSEOC?

MPSEOC stands for Montana Post Secondary Educational Opportunities Council. We are a 501 (c) 3 Tax Exempt Organization that was officially established in 1991 but was serving Montana for several years before this official nonprofit filing date. We are here to help keep Montana education connected and serving students together. By working together we are able to offer more quality services with broader reach. A special thank you to all our members for keeping this mission strong for over 30 years!

## Mission

The Montana Post-Secondary Educational Opportunities Council (MPSEOC) is a non-profit organization representing the 26 institutions of higher education across the state of Montana. The mission of the organization is the promotion of higher education to students, families, counselors, and schools with the awareness of the post-secondary opportunities available throughout the state of Montana and beyond.

## Vision

Changing the world by connecting, educating and empowering individuals through higher educational opportunities.

## Values

**Integrity** – Firm ethical adherence demonstrated through personal and professional actions.

**Leadership** – The ability to cultivate relationships in order to complete the goals and mission with flexibility and empowerment.

**Education** – Placing emphasis on life-long learning.

**Diverse Community** – An inclusive organization that respects and supports everyone’s unique characteristics to achieve their educational goals.

**Collaborative Relationships** - Providing opportunities for working together to form respectful connections.
