Montana High School Students Invited to Shop for Colleges and Win Scholarship Money

Statewide Montana Virtual College & Career Fairs throughout the state will feature many higher education institutions, 100's+ Live Chat, Sessions, 1-on-1 Meetings, and \$1,000's of scholarship money & prizes randomly given away.

The Montana Post Secondary Educational Opportunities Council (MPSEOC) will host a Virtual College & Career Fair throughout Montana April 7 @ 1-3pm & April 8 @ 9-11am. MPSEOC has conducted statewide college fairs since 1987. 1,000's of high school seniors and/or juniors will attend the fairs with their classmates, families, and guidance counselors.

The college fairs give students an opportunity to contemplate their options after high school. Students can visit with representatives from in-state and out-of-state colleges and universities, technical and trade schools, and military branches. "The best tip I can give a high school student with regard to their post-secondary plans is to check out all of their options. College fairs allow students to see exactly what is out there and fuels excitement about finding the best fit for them," said Amy Leary, MPSEOC Executive Director. **Although the fairs are geared to high school students, they are open to the general public, transfer students, parents, and families are encouraged to attend as well. Anyone who is interested in pursuing post-secondary education is welcome to attend.**

Another highlight of the college fairs is the *College Ca\$h Scholarship Program*. The College Ca\$h Program gives away 1000's of scholarship dollars to students across the state. The scholarships are awarded by a random drawing from the names of students who register and attend the college fairs. Both high school juniors and seniors are eligible to sign up. The scholarships are made possible by the donations from sponsors. These sponsors and partners are: Montana University System, GEAR UP, Office of Public Instruction, Reach Higher Montana, Montana Youth Apprenticeship Partnership, American Indian College Fund, Montana Department of Labor & Industry, and the Montana Post Secondary Educational Opportunities council (MPSEOC).

We hope to see you at this year's Montana Virtual College Fairs! | [More Details Below](#)

Thank you for sharing this information and supporting education in Montana!

Media Note: Members of the media are invited to attend any of the college fairs.
