Helping To Keep Education Connected

MPSEOC'S ROLE

- Due to COVID - MPSEOC is only the promoter of events and will not be hosting these events.
- MPSEOC will not be at each event.
- You need to contact the even host listed in the schedule of events for more information about each event.
- Each individual event is hosted independently within their own safety guidelines. Please contact each event within the schedule for more details.
- Attendance may be limited at certain events. Eligible attendance is on a first come first serve basis. No refunds are offered for limited attendance. The fee is paid for promotion only this year.

Additional Potential Ideas In Development

- No use of Visitdays or Online Fair | MPSEOC will create its own resources on our website to promote events.
- MPSEOC will work with Montana Colleges & additional institutions that register to create a printed packet for a mini POP UP Fair to be utilized.
- Statewide Student Data Collection | Maybe contract with Strivescan or data collection for in-person options and/or overall data collection?
- Statewide High School Visit Plan | Look into a Repvisits or Calendly for an easy overall scheduling tool to use?
- Other ideas?
